

“FRIENDS” ARE IMPORTANT

To mark the millenium, the Board of Directors of Country Heritage Experience Inc., a not-for-profit association that operates Country Heritage Park (formerly The Farm Museum) at Milton, Ontario, has launched the “FRIENDS” of Country Heritage Park Membership Program. The “FRIENDS” program offers individuals, associations and corporations to actively support the development of Country Heritage Park as an important interactive heritage site depicting agricultural and rural life over the last 150 years and into the future.

“FRIENDS” may choose one of five levels of support: Individual, Bronze, Silver, Gold or Platinum. Each level of participation offers benefits commensurate with that level of financial contribution. Benefits include voting privileges at member meetings, newsletters, admission discounts, and recognition in newsletters and on site. Please see detailed listing of benefits for each “FRIENDS” level.

In addition to their financial support “FRIENDS” are also invited to volunteer their time and expertise. Many opportunities are available to assist with educational programs, special events, exhibits, tour groups, horticulture/landscaping programs, livestock exhibits, and hosting weddings and special occasion functions.

The “FRIENDS” program is an important cornerstone in the foundation of a new and dynamic Country Heritage Park.
