

Country Heritage Park

Venue Package 2022/2023

Come Discover

The hidden gem in Milton Ontario since 1974.

Situated on 80 breathtaking acres creating the perfect backdrop with its unique photographic landscapes including the Niagara Escarpment, an eclectic of historic barns, houses and buildings all in one location.

The Gambrel Barn

Although it is a traditional looking barn from the outside, once inside this post and beam structure surrounds you with the warmth of its reclaimed wood, simple elegance and its overwhelming natural beauty. Carefully lit hewn beams and strung twinkle lights create the perfect atmosphere for any event. This barn's unique name reflects the roof style and was constructed as a bicentennial project back in 1984.

The Carriage House

A one of a kind building where classic meets elegance. An all wood building constructed with large barn doors, offering a perfect grand entrance into its unique open roof concept allowing the elements of nature to be felt throughout the event. Once the sun sets and nighttime begins the building is illuminated by the country's nighttime sky and strung twinkle lights enhancing nature's natural beauty.

The Puslinch Town Hall

The historic Puslinch Town Hall is a perfect place to host an intimate event. Built in 1867, this building offers plenty of natural light illuminating the pine wood floors and the original wood stove used at one time to heat the building. Hung from the wooden beams are award winning historic quilts by Canada Packers Quilt Collection dating back to 1980. These quilts simply add colour and creativity to the indoor atmosphere.

The Conestoga Room

Once called the Fiddle and Stick but now serving a more unique purpose of being the first ever location with a full service restaurant in the front half while hosting many not for profit organizations in the other half as a Community Kitchen.
