# Country Heritage Park

## 2023 Wedding Package

# Welcome

The hidden gem in Milton, Ontario. Situated on 80 breathtaking acres, creating the perfect backdrop with its unique photographic landscapes including the Niagara Escarpment, heritage barns, houses and buildings all in one location.

Featured are our two unique reception venues that offer completely different elements and atmospheres to any wedding.

## The Gambrel Barn

Although it is a traditional-looking barn from the outside, once inside this post and beam structure surrounds you with the warmth of its reclaimed wood, simple elegance and its overwhelming natural beauty. Carefully lit hewn beams and strung twinkle lights create the perfect atmosphere for any event. This barn's unique name reflects the roof style and was constructed as a Bicentennial project back in 1984.

## The Carriage House

A one-of-a-kind building where classic meets elegance. An all-wood building constructed with large barn doors, offering a perfect grand entrance into its unique open roof concept allowing the elements of nature to be felt throughout the space. Once the sun sets and nighttime begins, the building is illuminated by the country's nighttime sky, and strung twinkle lights enhance nature's natural beauty.

## Our Goal

To create long lasting memories in an unparalleled atmosphere.
